

## THE KNOWLEDGE HUB

The Knowledge Hub or simply 'The Hub' is the online information repository for NSW RFS Training Manuals.

The Hub will be developed and released in three phases:

- > **Phase 1** - Publish theory information from training courses which have been developed into eLearning modules (mainstream qualifications)
- > **Phase 2** - Work with specialist areas to publish theory information for specialist training courses (specialist qualifications)
- > **Phase 3** - Monitor, review and ensure continuous improvement (including adding videos, animation etc)

### Benefits

#### ACCESSIBLE

- > Members no longer need to wait for a formal course to begin learning
- > Accessible via Fuel

#### UP-TO-DATE

- > The Hub's structure makes it easier to make changes, so members will always be able to access the most up-to-date information

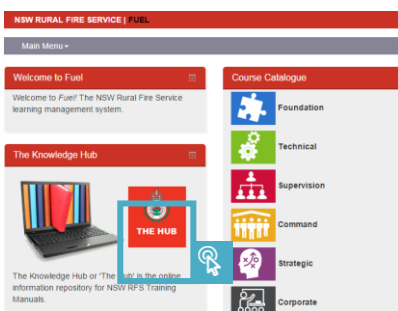

#### FUNCTIONAL

- > Members can use the search bar to navigate their way to the information they need quickly
- > Surf information or read every detail

### Accessing The Hub

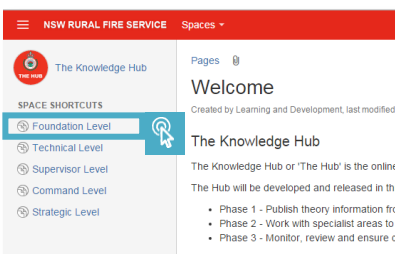

#### STEP 1

To access The Hub log in to Fuel. Select 'The Hub' icon.

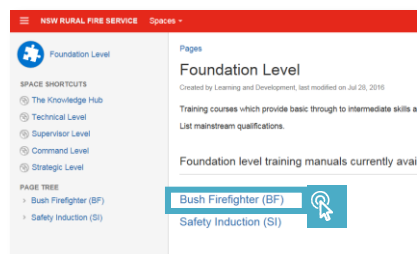

#### STEP 2

This will take you to 'The Hub'. Select from the space shortcuts on the left e.g. Foundation.

#### STEP 3

This will take you to the 'Foundation' page. Select from the available Training Manuals.

For further information regarding The Knowledge Hub, read the Fuel user guide or contact Learning and Development at [ld@rfs.nsw.gov.au](mailto:ld@rfs.nsw.gov.au)
