

## How to listen to one of our audiobooks

Your NSW RFS library has a collection of **audiobooks**.

This is the password embedded link for the audiobook collection.

<https://search.ebscohost.com/login.aspx?authtype=uid&custid=ns022395&groupid=main&profile=ehost&defaultdb=nlabk&user=ns022395&password=rfslibrary.2022>

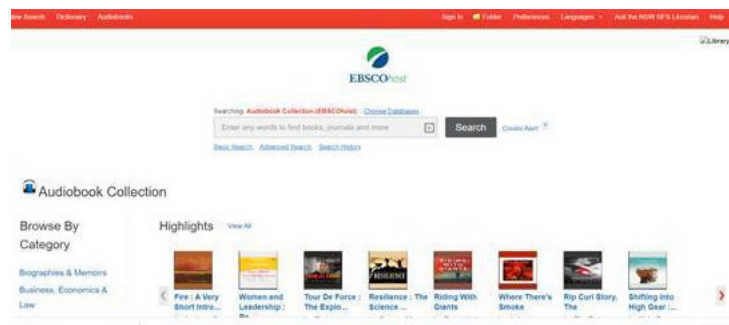

(Please note that the password-embedded link will be updated in November each year)

Two steps - set up an individual EBSCO account and download the free app EBSCO audiobooks.

(It is still under our subscription so of no cost to you – this same account can be used for downloading our eBooks as well)

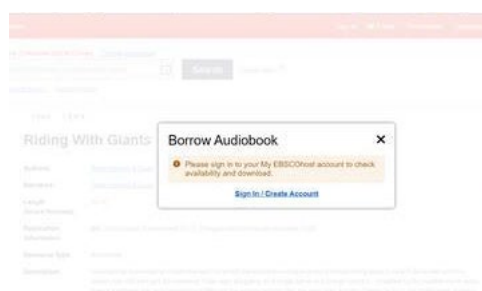

### Opening the collection

Open the [audiobook link](#).

Click on the audiobook you wish to borrow, it will ask you to register for the account.

(This is so the system knows which of our 74,000 members it is lending the audiobook out to)

## Registering or logging in

If you have already registered, then you just sign in (you can also do this on the top RHS of the audiobook collection webpage)

If you haven't registered...fill in the details to register for an account – the trickiest part is compiling a password to meet the publisher's criteria!

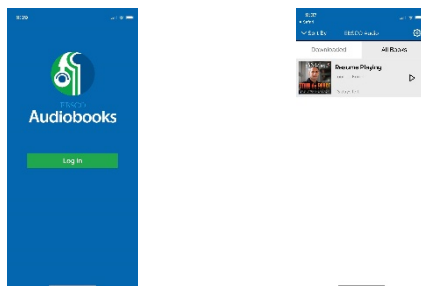

## Borrowing

Borrow your audiobook.

## Listening to the book on the app

Download the EBSCO audio app to your mobile device for free.

Sign in to the app using the same login credentials you used when registering with your EBSCO audiobook account.

The audiobook you checked out will download to the app.

## Borrowing more books...

If you want to check out more EBSCO audiobooks, open the [link](#), sign into your EBSCO account and 'borrow' the book (up to 28 days).

Refresh your app on your phone (by dragging the screen down) for the books to download there.

There are official instructions [here](#) or [contact your library](#) for more help.
